Case No. 2:14-cv-2205

ORDER

The Court held a telephone status conference in this matter on April 1, 2015. Having heard the parties' concerns raised at that conference, and pursuant to the Court's inherent authority to manage the litigation before it, the Court hereby **VACATES** its January 29, 2015 Order (ECF No. 13) and **STAYS** all discovery in this matter, including discovery related to Plaintiff's pending motion for class certification (ECF No. 2), until the Court adjudicates the pending motion to dismiss for lack of jurisdiction (ECF No. 19). At that time, should any of Plaintiff's claims survive the motion to dismiss, the Court will reopen merits discovery and readdress the discovery and briefing schedule with respect to the pending motion for class certification.

IT IS SO ORDERED.
